

The background features a dark, almost black, field with dynamic, flowing bands of color. On the left, there are vibrant green waves that curve upwards and then downwards. On the right, there are warm orange and yellow waves that curve downwards and then upwards, creating a sense of movement and depth. The overall effect is reminiscent of liquid or smoke in motion.

THE ETRUSCANS

WHO WERE THEY?

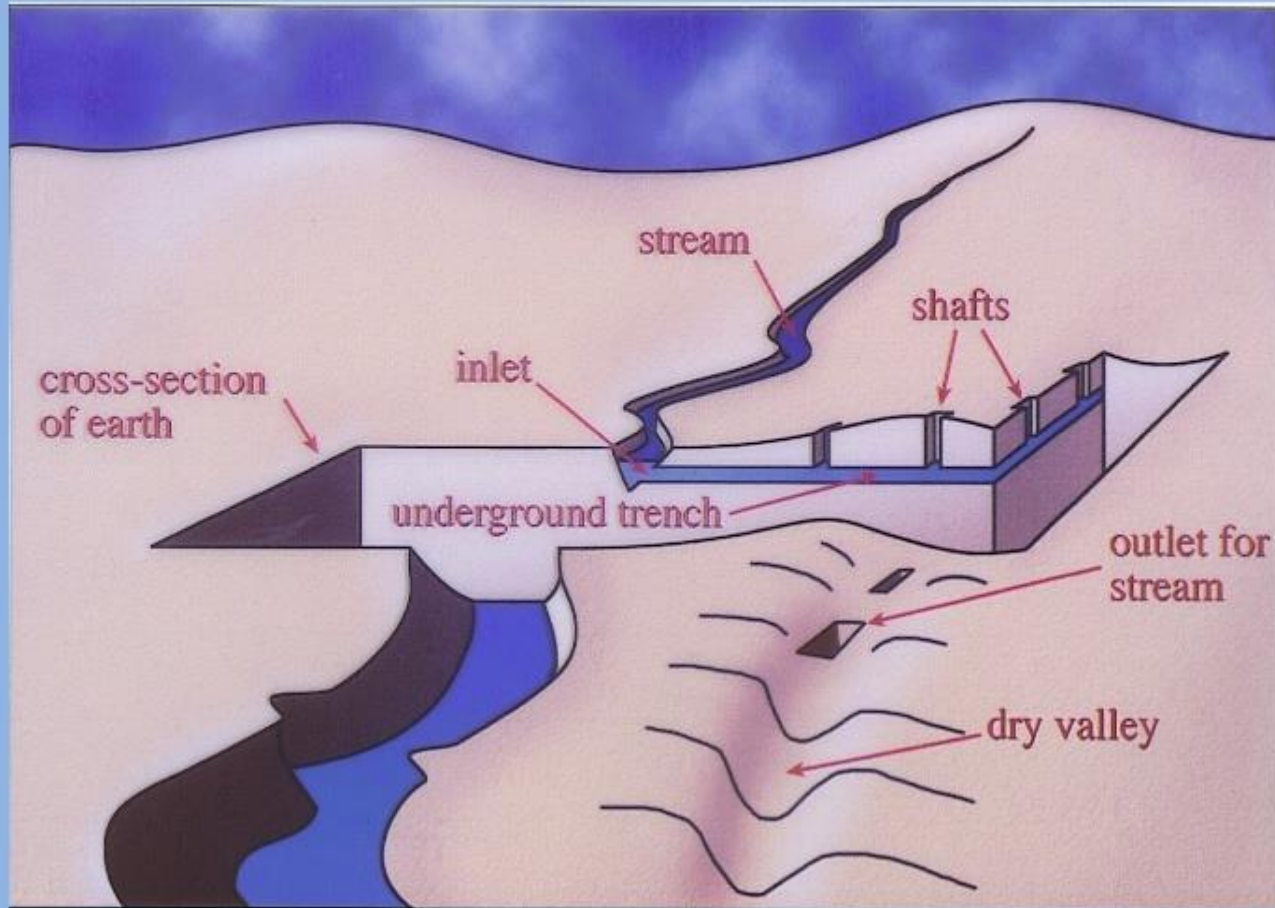

- People living north of Rome in Etruria
- Came to Italy about 800 BC
- Moved to Latium Plain and Rome about 650 BC
- Skilled metalworkers
- Changed Rome from straw-roofed huts to a city of wood and brick buildings
- Gave Romans the toga
- Romans copied their army

The background features a dark, almost black, field with dynamic, flowing waves of color. On the left, there are vibrant green waves that curve upwards and then downwards. On the right, there are warm orange and yellow waves that curve downwards and then upwards. The waves have a soft, ethereal quality, with some areas appearing more translucent than others, creating a sense of depth and movement.

ETRUSCAN AND GREEK INFLUENCES

ETRUSCAN ENGINEERING

ROMANS- ENGINEERING

- Arch
 - Rested on two pillars
 - Keystone- holds weight of entire curve
- Cuniculus
 - Underground trench
 - Used to irrigate land
