### Historical Jobs

*Geographers, Historians, and Archaeologists play important roles in the study of history.*

**Directions:** Fill in the circles with key words or symbols that explain what each of these jobs are. You must have a minimum of one word and one symbol in each space, but you can include as many as you want! Use the following pages in the Ancient Civilizations Textbook: Geographer Pg. 77-91, Historian Pg. 92-112, Archaeologist Pg. 123-124.

**Geographer**

**Archaeologist**

**Historian**
